IF YOU HAVE A CHILD UNDER FIVE

By next summer work will start on building new nursery centre beside Westway at Maxilla Gardens. When it opens within a year or two there will be 60 places for children aged 3 to 5, and a new type of centre where parents can meet. If you live in the Silchester Estate or the streets around Maxilla Gardens, your child may be able to go to the nursery, and the centre could provide you with a chance for hobbies or just to chat to other parents.

Also in the centre will be somewhere for mothers to leave children for an hour or two while they go shopping, or for example, visit the doctor. Trained staff will be in charge.

The centre has been planned by the Westway Nursery Association, a group formed over a year ago by local people. Already £115,000 has been promised by the Inner London Education and by a charitable trust. The Borough Council has forwarded an Urban Aid application to the Home Office which, if successful, will provide another 40 places for children aged six weeks to three years, and the hours could be extended to eight in the morning until six in the evening. At the moment it is planned that the hours will be nine to 3.30pm. The nursery school will be free - although if children stay to lunch parents will have to pay for it.

Some parents are, of course, too busy to join in running the centre, but the association hopes that any mothers, or fathers, who are interested will help with the children, join the management committee, or just pop in to see how things are going.

A survey was carried out this summer to see how many people would like to use the centre, and what they felt it should contain. We found a lot of people thought that an extra nursery was needed, and had quite a few ideas about what sort of place it should be.

COME TO THE MEETING ON WEDNESDAY, 27TH NOVEMBER AT 8.00 P.M. AT THE WESTWAY LUNCHEON CLUB NEXT TO LADBROKE GROVE TUBE STATION TO HEAR MORE ABOUT THE CENTRE AND TO GIVE US ANY IDEAS OR HELP YOU CAN.

Please complete this form and return it either to the meeting on the 27th November or to W.N.A. 13 Acklam Road, W10 Tel. 969 5201
